12 Days of includem Christmas

A new challenge everyday from the 5th - 20th December

Christmas is coming to includem!

The 12 days of includem Christmas is a fantastic opportunity for us to share some festive fun this year, from both staff and those we support. Here's some information you might need.

You don't need to take part every day, but remember you are representing your team, so the more submissions from you or other members of your team, the higher chance of a win each day and therefore overall.

Some of the challenges are for you to complete, some are for the children, young people and families, and some are for both, so make sure you check the rules before you play.

You can send us your entries on the WhatsApp Folders of Gold, on Teams, or by email to Martyn & Mabel - make sure you get them in by 3pm so we have time to get them to the 'celebrity' judge.

Each week in the Friday Five, we will show you a round up of that week's challenges - with shout outs to the winners and our favourite runners up. There will also be a dedicated Sharepoint page for us to share all the photos!

Scan the QR codes on the 12 Days of Poster to find out about each day's activity.
