

Kooth Online Counselling & Mental Health Service for 10 – 16 year olds in Glasgow City.

We are delighted to inform you that **Glasgow Health and Social Care Partnership** has commissioned the online wellbeing service **Kooth**, a service delivered by Kooth PLC. **Kooth is an integral component of Glasgow City’s mental health provision** offering a digital counselling and emotional well-being service for young people. 1 in 5 children and young people suffer from mental health illness in any given year. At Kooth, we believe every young person has the right to thrive and to access high quality mental health care.

We offer a free, safe and anonymous online Mental Wellbeing Community for young people 10-16 across Glasgow city. **Kooth** is available through smart phone, tablet or computer and features activities, self-help articles, discussion boards and a team of accredited counsellors and emotional wellbeing practitioners who provide guided and outcome-focused support for each individual.

Kooth has no referrals, thresholds or waiting lists. Young people can access this service anonymously by signing onto the **Kooth** site. **Kooth** provides unique out of office hours’ provision and is open 7 days per week, 365 days a year. **Kooth** provides added value with moderated, scheduled forums and self-help articles to provide peer led and self-help support.

Kooth helps to reduce waiting times for young people seeking help, removes stigma around mental health and accessing services. **Kooth** integrates with face-to-face local services to ensure a seamless transition for young people.

Kooth will be working in the region to raise the profile of the service with professionals and young people. Please see below for more information.

Education staff can see an introduction and demonstration of the service by booking to attend the online session on **Thursday 3rd November at 4.30-5.30pm**
Please book using the following link:

<https://www.eventbrite.com/e/kooth-information-session-for-education-staff-glasgow-city-tickets-439581047747>
